Program FAQs

What is the Summer Plus 4 Program?

The Summer Plus 4 Program consists of attendance at Religious Education classes during two weeks in July and attendance at 4 approved parish events during the course of the school year.

When is registration for the Summer Program?

Registration for the Summer Plus 4 Program takes place the FIRST WEEK IN APRIL 2018, NOT the first week in March as in previous years.

Do children in Kindergarten have to do 4 events before registering for the Summer Program this year?

No, children who are in Kindergarten for school year 2017-2018 do not attend 4 events. Simply register them for first grade the first week in April.

If my child is in the Monthly Program and I want to switch to the Summer Program do we have to do the 4 events?

Children who are in the Monthly program do not attend 4 events. If they are up to date with attendance in the Monthly program and you wish to change to the Summer Plus 4 Program, simply complete the registration form and submit it during the first week of April 2018.

If my child attended the Summer Session last summer (2017), do we have to do the 4 events?

Children who attended Summer Session 2017 must have completed Summer Session 2017 AND attended 4 events during school year 2017-2018 in order to be eligible to attend the Summer Session in 2018.

We are a new family who just registered at Sacred Heart. What do I have to do to register my children for the Summer Program?

Families who are joining Sacred Heart must be parishioners by March 1, 2018 AND their children must be up to date in their Religious Education in order to register for the Summer Plus 4 Program. Families who are becoming new parishioners at Sacred Heart should get a letter from their previous parish stating the years of Religious Education that their children have completed.

REGISTRATION IS THE FIRST WEEK IN APRIL 2018,

NOT the first week in March as in previous years.

Once you have submitted your registration form, your child is registered for the Summer Plus 4 Program. We are unable to confirm registration. If there is a problem with registration we will contact you about it.
