### **About GIFT**

Children are most influenced by their parents when it comes to spirituality. This influence cannot be outsourced and explains why drop-off religious education programs are ineffective. A child will only grow in faith if he or she sees their parent practicing their faith AND if the child interacts with the parent in matters of faith. Our Religious Education program GIFT (Growing in Faith Together) provides both family time for parents and children to interact and adult faith formation time for parents to keep their own spiritual lives healthy and happy. As Catholic parents, it is your obligation to model your faith and bring your children to Sunday (or Saturday Vigil) Mass. Worshipping God together as a parish community is what makes us Catholic. We expect families to take this responsibility very seriously.
